PAY RAISE FORM

To: Minneapolis Plumbers Joint Journeyman & Apprentice Training Committee

I certify that I am satisfied that I have completed the necessary on-the-job training and related instruction that is required by the Standards and Policies of the Minneapolis Plumbers Joint Journeyman & Apprentice Training Committee and I am now ready for advancement from the _____ year apprentice rate to the _____ year apprentice rate on _____.
(indenture date, current year)

My time cards are turned in and up to date.

Printed Name: _____ Date: _____

Address: _____

City: _____ State: _____ Zip: _____

Signature: _____ Employer: _____

=====

_____ I feel that I am **not** qualified to advance to my next pay rate at this time.

=====

I feel that I need more experience or training in the following areas: _____

Please Note:

Complete the appropriate statement and return to the Training Center before your next raise date, but not more than 3 weeks prior. Your raise is due yearly on the anniversary of your indenture date as long as your time cards are up to date, you have enough work hours (the hours you submit are compared with the hours submitted by your contractor for fringe benefits, and should be similar), you have completed the school year, and this form is completed and turned into the Training Center office. Failure to complete any of the required steps will delay your raise. Raises are not retro-active.

(Effective 1/1/2006)
